Re party 3 Richard Walker

mon cher Richard:

Vous

êtes un des plus aimable
garçons que j'ai jamais
eus dans mes classe, je
suis très heureuse de
vous connaître et de
vous avoir pour un
ami.

Mes meilleurs vœux
pour un avenir rempli
de succès et de bonheur.

Ruth Snell

Dear Richard, Best of
everything to a versatile,
capable person, whom presence
in a class is a decided
asset to that class.

Sincerely, D. Taylor

Dear Richard
It has been wonderful
being in your classes.
Thank so much for your
help in school.
Good luck

Sincerely
Ann Williams

Dear Richard
you are one of the
finest young men I have
ever had in my class.
hope you will continue
our painting as you go
through the year.
Sincerely, Edie

Dear Richard,
Best of luck to
great Artist and
swell friend.
Bobbie Green Davis

Dear Richard;
I don't know how
to start, or how to say
it either but I do
know that you are one
of the very best people
you have ever known.

It has been
great knowing
such a nice
guy.
Love
Gabriel

Dear Richard
This is to really
a very fine boy
In fact I think
very much of. Best
of luck. Love
David Fisher
My best wishes
to you and I
love you
Susan
Lynn
Boyle

Dear Richard
 I have enjoyed our
 friendship a great deal.
 May you always have
 the best of luck (now every-
 thing you do. It seems like
 knowing you the past 2 1/2 years
 here. Central, your ever loving mother,
 Rosa Rich

Dear Richard
 I've helped
 me a lot in
 French & I really appreciate
 it. H & I are wishing
 all the luck to a
 very smart boy
 (Kugel) Mother

Dear Richard -
 Wishing you
 the very best of good
 fortune in your future
 life and be sure to
 keep on with your art.
 Aunt Kramer

Best of luck
 to a swell
 guy.
 Mary
 Holman

Dear Richard,
 I have enjoyed knowing you
 during my three years at Central.
 Our French classes have been fun
 even if we didn't learn French
 good luck & keep up the art.
 Therese Johnson

Dear Richard
 I'm hoping that
 this won't be the
 end of our friendship.
 and I've got plans
 also for the moral
 support in physics.
 Best of luck always.
 Mary Kirkham

Dear Richard:
 We have had many
 you & I have, but there's
 wishing all the luck
 and good fortune to
 you of the best
 (you'll know
 see it too!
 Luck
 1947

Dear Patricia
 lots of fun here
 at Central. (Our
 schmoes club was quite
 right?) Always a friend
 Mouthina
 Snerdcrumple.

Dear Richard,
 you're a swell guy
 and it has been
 knowing you. I know
 you'll make a success
 of this world. Best of luck to
 Willard Hallahan

Dear Richard:
 I think that
 you are one of the
 swiftest fellows that
 I have ever known.
 Also the best interior
 decorator.
 Loads of Luck
 always
 Betty Ruth
 Station

Dear Richard:
 bon c'est vie
 nous se souvenir
 nous se muer de
 bonheur. Notre
 Carolyn Pierce

Dear Richard, likely you hate me
 more than for all the lack
 of attention I'm so good at
 But its nice to know you have
 true friends you can rely on
 I will never meet anyone who has
 the subtle humor which I consider
 your famous for. Should I say love?
 Mir

Don't forget to write
 to me when you
 are in California
 to see me

THE CARDINAL
1949

VOLUME 43

CENTRAL HIGH SCHOOL

OKLAHOMA CITY, OKLAHOMA

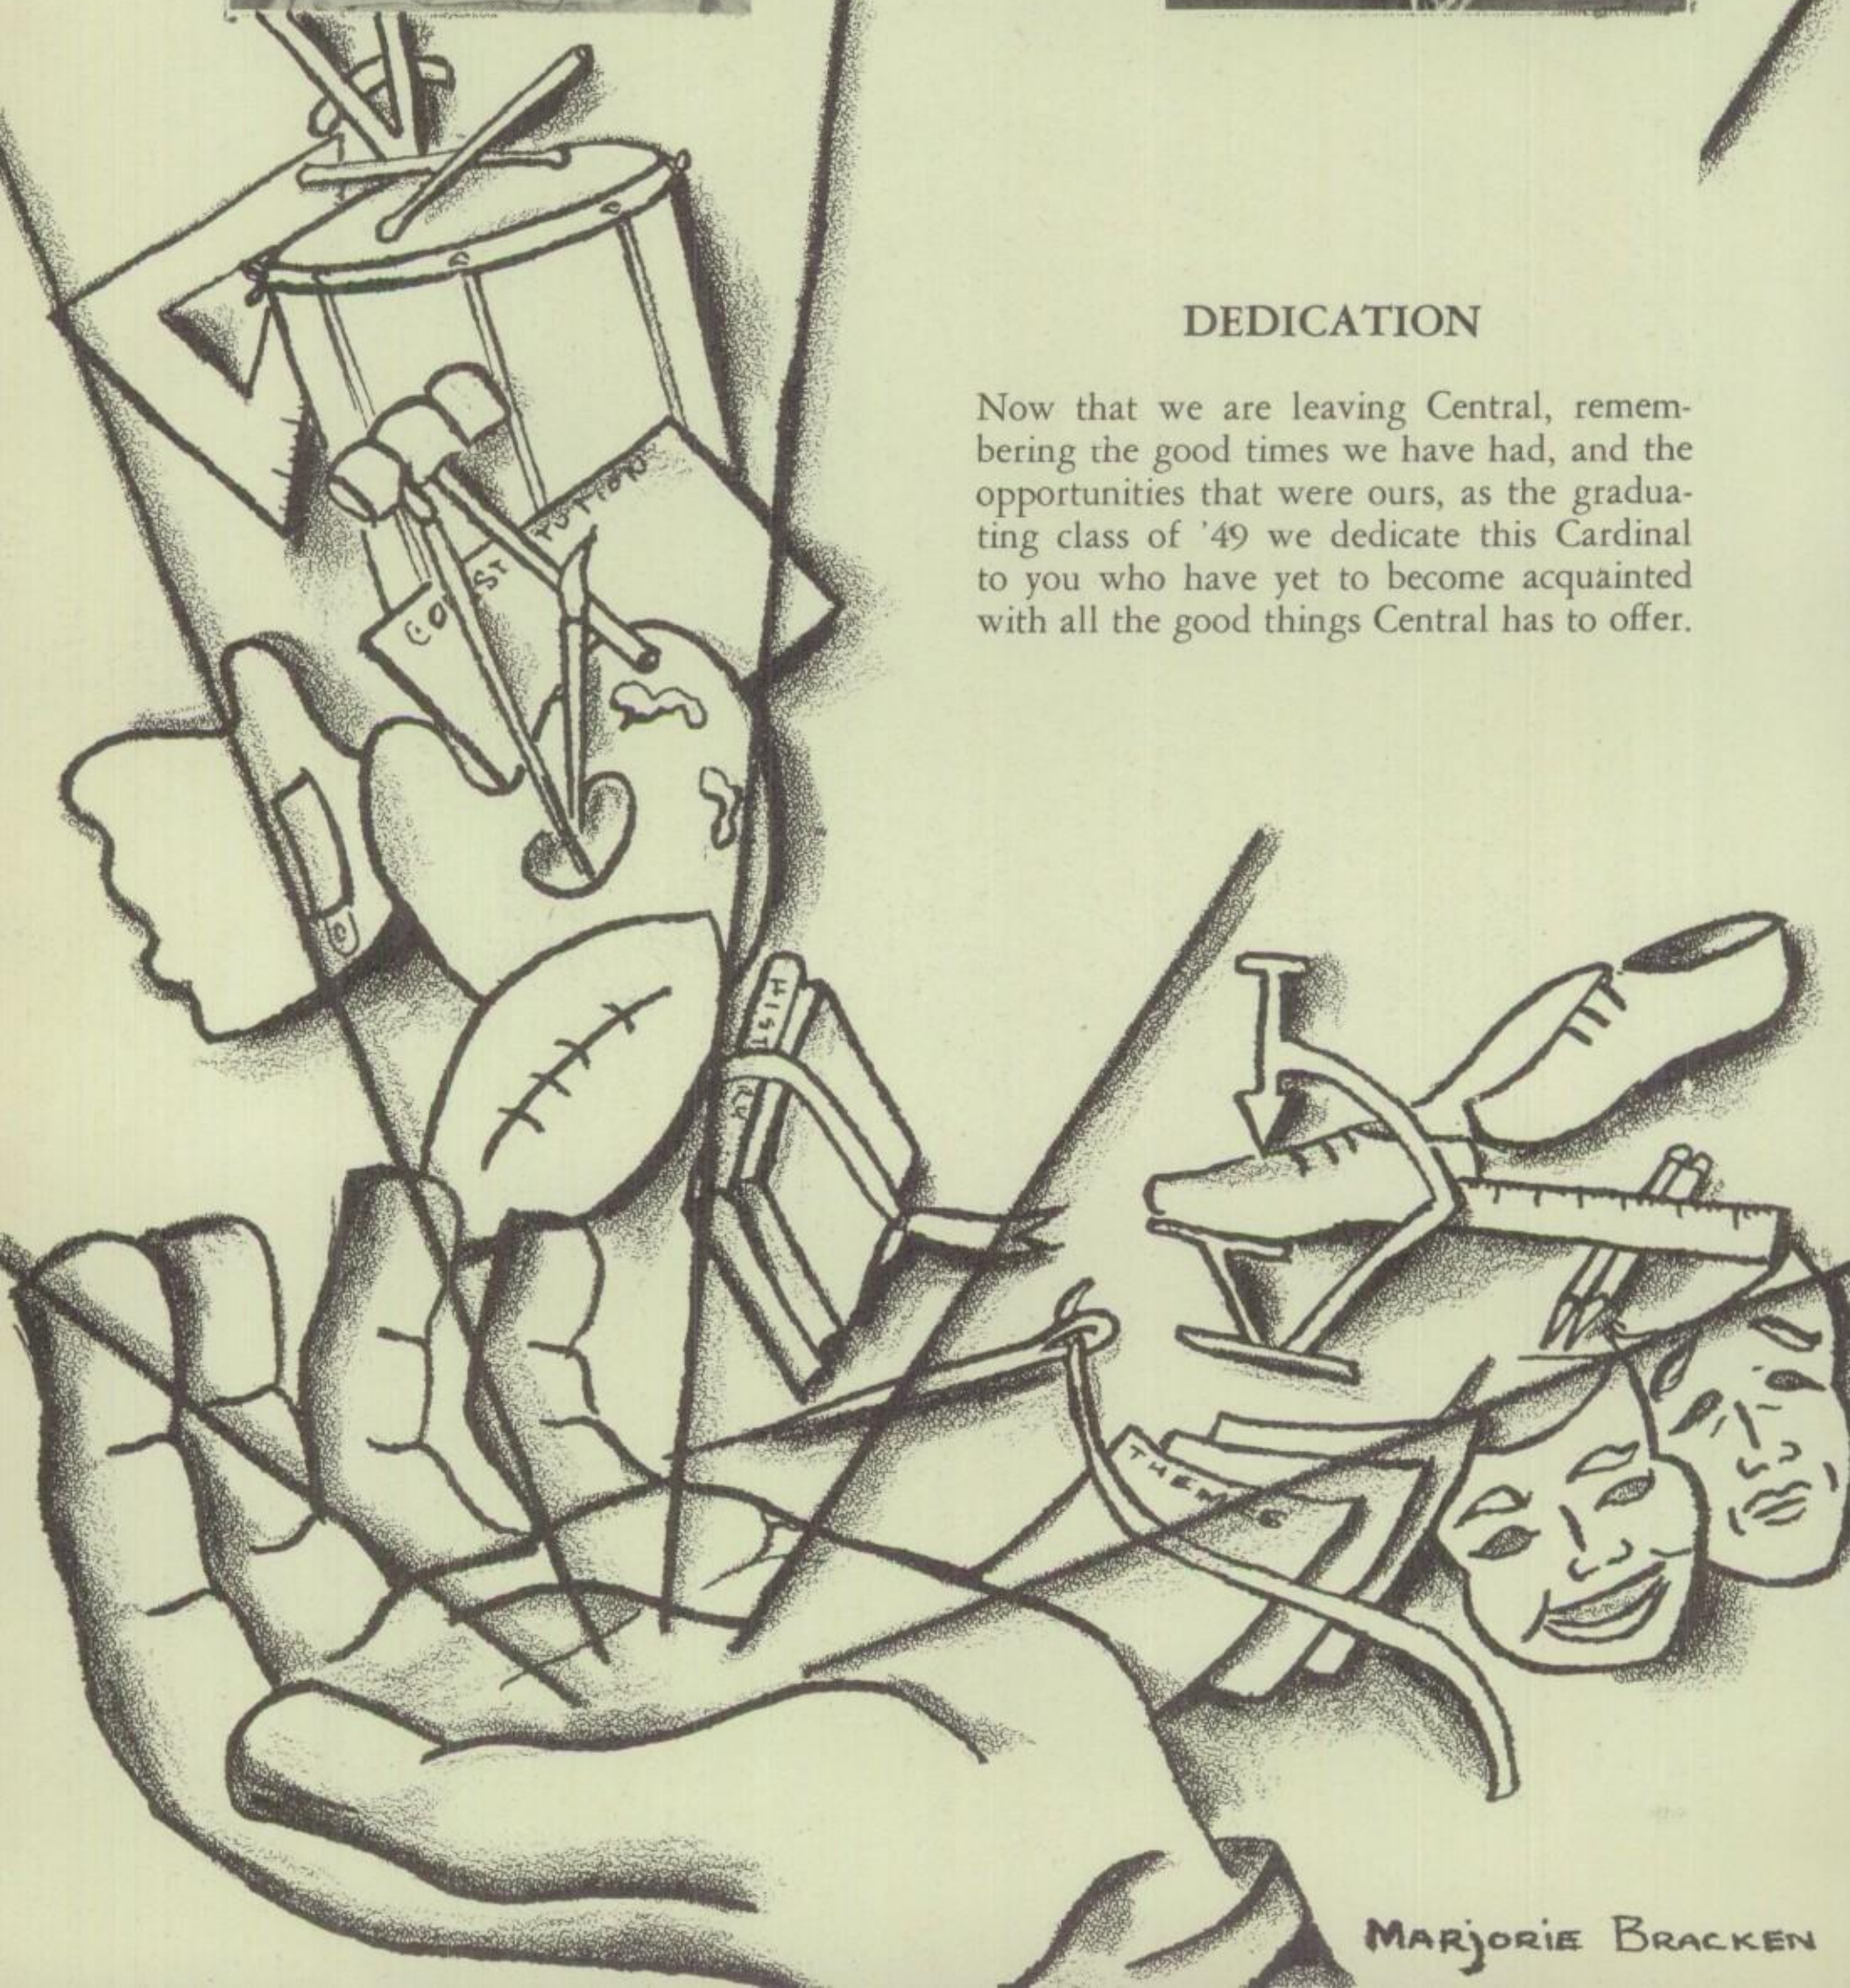

NINA JEAN BREITHAUPT
Editor-in-Chief

JARRELL E. GUTHRIE
Business Manager

DEDICATION

Now that we are leaving Central, remembering the good times we have had, and the opportunities that were ours, as the graduating class of '49 we dedicate this Cardinal to you who have yet to become acquainted with all the good things Central has to offer.

MARJORIE BRACKEN

Theme

A "CARDINAL" education
is a liberal education

cardinal—noun—American song bird; male has bright red plumage and bill, black face, pointed crest, and a loud musical song.

cardinal—adj.—of basic importance; superior; as *cardinal* virtues; *cardinal* principles.

That man, I think, has had a liberal education who has been so trained in youth that his body is the ready servant of his will; whose intellect is a clear, cold, logic engine, with all its parts of equal strength and in smooth working order, ready like a steam engine to be turned to any kind of work and spin the gossamers as well as forge the anchors of the mind; whose mind is stored with the great and fundamental truth of Nature and the laws of her operations; one who, no stunted ascetic, is full of life and fire; one who has learned to love all beauty, whether of nature or of art; to hate all vileness, and to respect others as himself.

Board of Education

John C. Pearson, Jr.
President

Vernon Beals
Vice-President

N. L. George
Clerk Business Manager

Ira Williams

R. Lewis Barton

C. B. McCray

Office of Superintendent

Merle J. Burr, Assistant Superintendent, Secondary Education and Personnel; Dr. N. L. George, Assistant Superintendent Business Management; Charles S. Wallace, Assistant Superintendent, Research and Pupil Personnel; Laura A. Bechtel, Assistant Superintendent, Elementary Education.

Our curriculum must truly meet the needs of all the children of all the people if our educational program is to produce and develop the America of tomorrow. More and more am I convinced that the function of the public school must be to teach the value of our system of free economy and the democratic way of life.

DR. FRED W. HOSLER
Superintendent of Schools

Boys and girls are citizens now. Not only do they possess potentialities for the future but they have attitudes, habits, problems, interests and needs which function in the present. The curriculum should provide many broad educational experiences for all our youth that they may obtain maximum growth and development to the end that they are happy, well-adjusted and effective citizens, now and later.

F. R. BORN
Principal

GUIDANCE

J. FRANK MALONE
Vice-Principal

RALPH V. MILLER
Boys' Counselor

MAURINE HOOVER
Girls' Counselor

GLADYS BEEN
Counselor

The Guidance Department, as we have it now, evolved from the work of two assistants to the principal: the vice-principal and the dean of girls.

In 1931 the director of guidance was appointed when one of the teachers was relieved from class duty two hours a day for this purpose.

In 1947 the guidance director became also the counselor of girls, and at the same time a counselor of boys was added to make the four counselors we have today, whose duties are manifold in the field of personal, social, educational, and vocational guidance. Their aim is to aid each student in realizing the greatest benefit from his three years at Central through planning wisely for these years and for his future, to help him make adjustments to his present situation, and to enable him better to meet all life situations.

The curriculum at Central is broad and should enable each student to study subjects that will make him a good home member and a good citizen. At the same time, he is also learning vocational skills to enable him to make a living.

The student who plans for a college education should have wise guidance based on this innate ability. He should have a sound foundation that will enable him to succeed in college in his chosen field.

OFFICE

FRANCES BUNDY
Principal's Secretary

HAZEL B. MYERS
Veterans' Secretary and Registrar

AGNES MARTINOSKY
Attendance Clerk

MORENE HILL
Clerk Typist

EDITH L. JOHNSON
Registrar

EDYTHE HAAS
Financial Secretary

Like the pulsing of a big heart the Central High School office reaches through many arteries to the farthest extremities of the building. A group of student helpers go on duty each hour of the school day to operate the switch board and the sound system, to collect attendance slips from each class room, to check attendance, to run errands, and in general to aid the five secretaries and clerks who are responsible for making the office "pulsate".

Mrs. Agnes Martinosky, attendance clerk, has the best interest of the students at heart when they are called in to give an account of their absences or tardies.

Miss Morene Hill with her nimble fingers types the daily Absentee and Do Not Admit lists, and performs many menial tasks that only a good blonde typist can do.

Mrs. Frances Bundy, Secretary to Mr. Born, is the medium by which the public may or may not reach her busy boss by phone or in person.

Mrs. Edith Johnson, the registrar, keeps the permanent records and frowns upon recording any grade below C. If you aspire to a college education, she will write your transcript.

Mrs. Edythe Haas, financial clerk, keeps a strict account of the money that comes and goes, and records it in black or red to be checked by the school auditor.

Mrs. Hazel B. Myers, Veterans' Secretary and Registrar, has charge of all the records of the veterans, including making out attendance reports to the veterans administration, keeping all permanent record cards, and keeping the financial records.

Central's Librarian offers smiling assistance to all students.

The P. B. X. board is the connecting link between Central High School and the public.

LIBRARY

In yesterday's libraries, the emphasis was on circulation figures, great pride being taken if the year's total exceeded that of the previous school year.

Today's librarian moves out into the classroom scene, helping teachers to haul into their rooms assorted stacks of books for this or that unit of work.

Tomorrow's libraries will be the center of the instructional program and will house all types of instructional aids.

Film strip, a radio program, or a recording will be recommended by the librarian as quickly as she recommends a book to the teacher or pupil.

The school of the future will be designed with an inviting homelike atmosphere. Easy chairs, table lamps, and inviting reading-nooks are among the "new" features. This will be something for Central to look forward to in the near future.

In the meantime, 311 is a very important place at Central, for it is there that many students learn to consult encyclopedias or dictionaries and to do research work, as well as to check out books for information or for leisure reading.

EVA CHOWNING
Librarian

Head of English Department

CORA VOY ALDRICH
English

ELEANOR ASKEW
English

MARY ELIZABETH BURDETT
English

ENGLISH

The English Department of Central High School tries to further the personal growth of its students in understanding of people through the medium of literature, the department seeks to find the interests of the students and to provide experiences in school which will be the best for them.

To promote opportunities for development in all the skills and to introduce the boys and girls into the culture of Oklahoma, America, and England, or whatever other foreign culture has made an imprint upon us, the department offers a wide variety of subject matter.

There is a reading program which will help give self-confidence in reading and help to give its pupils such training that reading will be a source of satisfaction and profit to them. This program should help to improve the grades of all who are enrolled in it.

A class has been organized to give experience in creative writing.

For boys who do not want to take English, but who really need it, a Shop English and also an Aviation English class have been formed. In these classes the English work is mixed with shop study and aviation study.

With such a wide background for development, the English classes offer a truly liberal education.

HISTORY

The Department of Social Studies, one of the three largest departments in Central, has a varied program for the school year. All courses are designed to help the student understand and cope with the problems of today as well as study events of earlier days which have had such great influences upon present times.

The term "social studies" refers to those subjects that help one become fitted to assume his place as a competent citizen of his community, his state, and his nation. Now, in the light of international relations, there must be a development toward better world relationship: "World friendship, world understanding, and world co-operation" must begin in the classroom.

A study of American History and European History gives one a substantial background for an understanding of current problems. By means of field trips, group discussions, and group projects, this understanding is furthered. Other courses offered are Family Life Education, Psychology, Social Problems, American Government, World Relations, and Bible History.

The department fulfills its purpose when it impresses on every student that "Democracy is a Trust."

Students learn unknown quantities.

MATHEMATICS

Mathematics is a universal language which expresses quantitative and space relationships. Mankind has been concerned with the idea of 'how many' and 'how much' for thousands of years. Our inheritance of the past gives us knowledge of the part mathematics has played in the progress of the universe.

The study of mathematics is a great adventure in the realm of logical and critical thinking; it is the basis for many trades and professions; it is a constant object lesson in mental integrity and intellectual honesty; it is the foundation of the arts and sciences.

Our courses in mathematics at Central High School give us training in "forging the anchors of the mind", as they call forth our real effort and serious thought.

L. S. DEMAND
Mathematics

HOMEMAKING

HELEN ALLISON
Chairman of Home Economics

MARY BRUCHER
Home Economics

The Homemaking Department was established when Central was first built in 1910. Its purpose is to teach students how to establish a home in a practical way.

The different courses consist of Foods, Clothing, Homecrafts, Home Furnishings, and Family Life Education.

This year the whole department was redecorated. The Foods branch received five new ranges, four gas and one electric; and five modernistic tables and chairs. The tables and chairs have chrome legs with laminated plastic tops. The walls and cabinets were done in light green and the insides of the cabinets were in bittersweet.

Objective of the department include an attempt to guide students in finding their own types, food in relation to health and disposition, in learning to feel at ease in social situations, and in growing into responsible citizens.

Two hundred and thirty pupils are taking advantage of this opportunity to acquire a liberal education through Central's Homemaking courses.

The sewing classes help girls to be better homemakers.

Mr. Stanley Myers

STANLEY MYERS
Head of Science Department

MARY LOCKWOOD
Science

MARION NELSON
Science

Oklahoma provides interesting material
for the study of Geology.

SCIENCE

The modern world is a changed world—a world that has been remade by science. This new world is a machine world—a world in which man is surrounded by mechanical devices. During every working hour of the day he is concerned directly and indirectly with machines. He works with them and depends upon their products for food, shelter, and clothing, and even for many pleasures in life. Every young person needs to know the principles of science, not alone for successful work, but also for intelligent living.

The Central High School Science Department not only teaches the student the ways and means of scientific development, but also prepares him for higher and more complicated college science. Even if the student does not attend college, his knowledge of many new inventions and discoveries will be invaluable to him in later life. If the student does attend a university and does not care to carry on his studies in science, he has learned many things that will help him make a successful living.

Opportunities in the field of science were never so great as they are today. Aviation, petroleum, survey, research, mathematics, and physics are just a few of the many fields they are calling for young men to contribute to the progress of the future.

One might say that the purpose of the science department is to provide an understanding of the principles of science necessary to cope with the present scientific environment, and to help young people lay a foundation for successful careers in the field of science.

BUSINESS EDUCATION

An old and important department at Central Highschool is the Business Education Department. Established in 1910, it has tried to meet more and more adequately the needs of the young people of our school.

A complete business course is offered in both the secretarial and bookkeeping fields. Upon completion of the prescribed courses in each of these fields, a student may be adequately prepared to take his place in the world of work upon graduation.

College preparatory students have found it wise and sensible to take business subjects, along with their college preparatory credits, to enable them to earn a livelihood in the event that they are unable to continue their education as they originally planned, or to help them work their way through college.

This department has done a wonderful job of turning out capable and efficient students who are ready to make use of their knowledge in a practical way.

A. E. PHILLIPS
Mechanical Drawing

INDUSTRIAL EDUCATION

Industrial Education is one of the most important departments at Central. It teaches a student to use not only his hands, but also his head. The chairman of this department is Mr. Taylor.

Industrial Education is composed of two sections. One of them is the trade classes, which consist of sheet metal, printing, and auto mechanics. The other is the Industrial Arts section which consists of woodwork and mechanical drawing. There are courses offered in architectural and aeronautical drawing also.

Most of the teachers in this department have Master's Degrees, while others are working on theirs, but all of them are very capable, and work toward giving the students at Central a liberal education.

Career girls get a head start through school and work experiences.

EVA LEE
Vocal Music

CARROLL DUNN
Instrumental Music

MUSIC DEPARTMENT

Through the Music Department a student becomes acquainted with one of the many aspects of a well-rounded education. One who is interested in developing his natural music talent has an opportunity of expressing his own creative abilities.

The study of high school music is arranged to attract, hold, and educate the boy and girl. Its purpose is to make not professional musicians but music lovers and listeners, knowing the world's music just as they know its history, prose, poetry, and art.

By working together in class, students learn co-operation and dependability. The a cappella and the Band both demand this sense of responsibility.

Music stands for as much mental development and general culture as does any other subject in the curriculum.

The Band and a cappella each give assemblies during the year for the enjoyment of the whole school.

Radio singing classes provide aspiring soloists with helpful criticism.

ART DEPARTMENT

The Art Department offers to each student an opportunity of expressing himself through his own creative ideas. Many students aren't able to express themselves in speech work or music. Art gives a student a form of relaxation as well as an outlet for creative thoughts.

Every student has a chance to enter national and state contests, which give recognition to the individual and encourage work in all types of the arts. Many opportunities for entering the commercial field and receiving scholarships are available to winning contestants.

Different types of art are taught at Central, such as Interior Decoration, Design, Commercial Art, and Art Appreciation. The teachers of this department try not only to furnish and equip the students with the techniques, but also to give them a better understanding of the arts. In this way students learn to appreciate this culture even if art doesn't become their life work.

The use of modeling clay is one of the constructive arts taught at Central High School.

ANITA KRAMER

ANNA EBEL
Art

STELLA SAMUELS
Chairman of Language Department

Languages help one to become aware of the world's customs.

Ruth Snell

RUTH SNELL
Language

DOROTHY ANGEVINE
Language

The Language Department offers a great deal to the person who desires to obtain a liberal education. There are many ways in which the knowledge of languages helps a student secure a liberal education. For instance, it promotes an understanding of other peoples—not merely their language but their characteristics and customs also.

In many professions and careers the knowledge of foreign language is extremely helpful and often a necessity.

FLORENCE McCLURE
Language

The Language Department at Central is fortunate in having unusually learned and capable teachers. All of the department's teachers have been to Europe and most of them to Mexico also.

Languages offered in the department are Latin, French, Spanish, and German. As a contribution to the emphasis being put on world understanding, the department is offering a new course which introduces students to a great number of the world's languages

SPEECH DEPARTMENT

The Speech Department contributes to a liberal education in numerous ways. This department gives entertainment not only for the school but also for such organizations as the Red Cross, Veterans' Hospitals, civic organizations, department store employees, and other public schools. To help promote

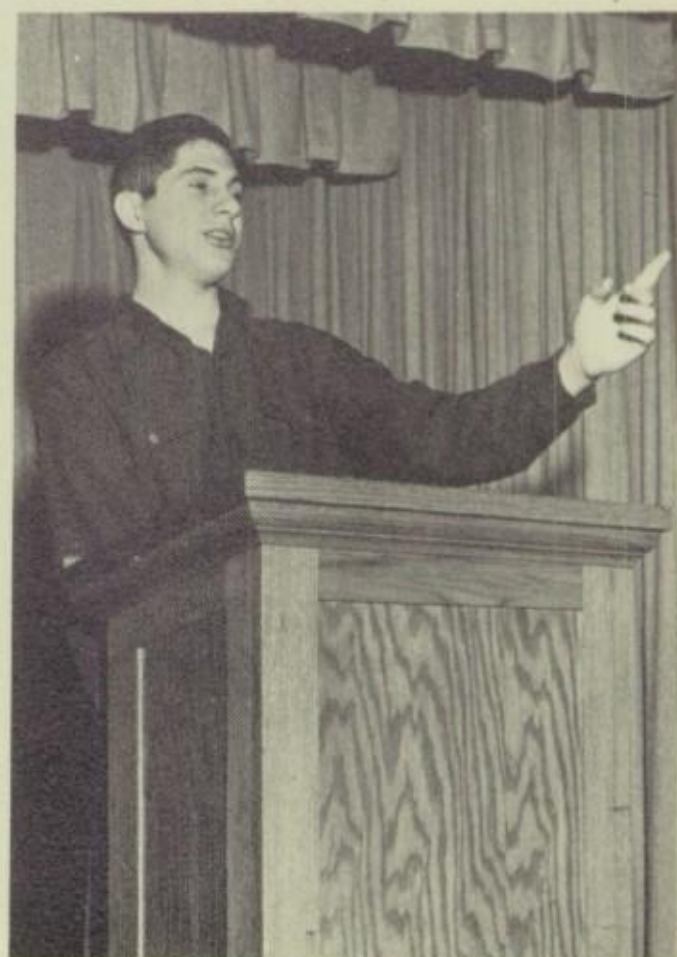

understanding between schools the Speech Department exchanges assemblies with the various city schools.

The advanced Radio Class has recently been asked to do a series of programs on a local station. These programs are presented each Saturday morning under the title of "The Central Playhouse."

There are a great number of talented students in the department; however, the student considered the most outstanding in all phases of speech work is Jerry Janger. Jerry is indeed deserving of this honor for he has excelled in Debate, Oratory, Dramatic Interpretation of Reading, Interpretation of Poetry, and also in Play Production.

MAYBELLE CONGER
Speech

Speech helps one to put his thoughts into living words.

CLARENCE BREITHAUPT
Director of Athletics
Basketball, Business Education

A. D. JACOBSON
Head of Physical Education
Football

The Physical Education department builds bodies, develops coordination, and teaches sportsmanship.

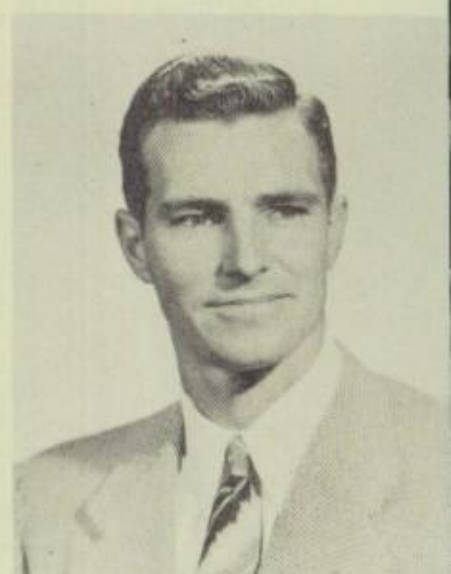

ATHLETICS

That person add immeasurably to his stature with his fellows who gains for himself a physical body—directed by his will to be strong, straight, and alert, capable of doing hard physical work; and who proves by his example that his body is his temple—a sacred trust to him—to care for with intelligence and to respect with reverence.

Such are the outcomes the Department of Physical Education wishes to achieve: through planned activity to strengthen the body, to make it straight and true; and through practice to become more aware and alert; through a planned program of health to understand the body in its structure and function and to learn to respect its possibilities.

First Row: Sue McLain, Chella Yargar, Iona Greenhaw, Helen Wilson.

CAFETERIA STAFF and CUSTODIANS

We learned to express our gratitude to those who serve our school.

The custodians never fail to lend a helping hand and a pleasant smile, whenever they are needed, no matter whether the assistance involves opening a stuck locker or putting up the popcorn machine. If ever there were men who deserved our whole-hearted thanks, these guardians of our school do deserve them.

Under the new management of Miss Lucille Looney, the cafeteria will continue its fine service to the students of Central. Our thanks go to the nineteen staff members who have continually encouraged proper nutrition and diet for the thousand students they serve each day.

Second Row: Sowers, Permenter, Goodrich, Samples, Nix.

First Row: Ragland, Melton, Jenks, Daughy.

Veterans know by experience that a liberal education is a necessity.

Training for a career in drafting.

Learning to express ourselves in an artistic manner.

Foreign languages help us to understand the people of other countries.

Music has a prominent place at Central.

Preparing for the future in an automotive world.

A fresh start for an afternoon of teaching.

Democracy in high school through school spirit and rivalry.

Physical Education for girls teaches sportsmanship and provides recreation.

Study of American Literature can be both enjoyable and informative.

Learning to cooperate through teamwork.

Keeping healthy through proper selection of foods.

Howard Stone

Three years ago each of us began a new adventure. Since then life at Central has become a definite part of each of our lives. Now, as we are graduating and embarking in new experiences once again, we pause briefly to evaluate three years of highschool training.

To start our Sophomore year in the right direction we elected Anne Smith as president. We were very busy adjusting ourselves to highschool life and therefore had little time for activities as a class that first year.

During our Junior year we were more experienced and were accustomed to our lives at Central. We chose as class leaders Jim Snow and Gayle Osborne, Joann Noll and John Bynum gave excellent performances in the Junior Play, "The Man Who Came to Dinner." Climaxing our Junior year we planned a preview to finance the big event of the season—the Junior-Senior Prom!

Then came our best year. At last we were Seniors! We elected Jim Butler and Howard Stone as Senior class presidents. The spring of the year was a maze of glorious events and activities. First came the Senior Play, "Our Town", and then the Junior-Senior Prom, this time in our honor. Next, of course, came the luncheon and baccalaureate services. Last and most important came that day of all days—commencement, with Joann Noll, Gayle Osborne, Jerry Emenhiser, and Jerry Janger representing our class as commencement speakers.

For many of us graduation from Central marks the conclusion of our formal education. Others will continue study in various schools of higher learning. But regardless of our future occupations, each of us realizes that we have received the benefits of a well-rounded highschool program for which we are duly grateful. We shall never forget the wise guidance of our excellent faculty and the lasting friendships we have formed during our years at Central.

We are almost at the close of two years at Central, and looking forward with enthusiasm to our senior year. This last year has been an unusually successful one for use Juniors, and will be remembered in years to come.

The biggest event of the year, of course, was the Junior Play, "Best Foot Forward", with an extra large cast headed by Paul Little, Ann Bailey, and Bette Statton. The play was directed by Miss Maybelle Conger.

In athletics, the Junior Class had what it took. We furnished our "Old Alma Mater" with athletes who were good this year, and will be even better next year.

Last, but not least, was that super Junior-Senior Prom. This year it was held at the Zebra Room in the Municipal Auditorium, on May 6th. Music was furnished by Eddie Ward's orchestra. As usual, this event was a great success. In order to raise funds for the Prom, the Juniors sponsored a preview.

Assisted by their able sponsors and officers, the Juniors did a good job of upholding the Cardinal traditions.

As we, the Sophomores, look back upon this past year at Central, we feel that it has indeed been a good one. Our class has been well represented in all the organizations and activities.

Charles Linton and David Walton have shown outstanding ability in the field of sports by lettering in football.

All eyes will be on the class of '51 throughout the next two years as they advance to Juniors and finally are the graduating Seniors with memories of Central lingering in their hearts.

FOOTBALL

Way back in August the Central football team started to work. New head coach A. D. Jacobson and his two new assistants, Earl Applebee and E. H. Miles, had three regulars out of seven lettermen to start off with. These boys had some big shoes to fill, because Central was district 3A Champ and state semi-finalist in 1947. They were off like a house afire that September 17th.

Central 20, Frederick 0

What a night for an opening game with a team that had knocked Central out of the state championship the year before! Charles Murdock, a letterman from 1947, uncorked a 52 yard T. D. for the first one of the year. McPhail converted. In the final quarter McPhail, a three year letterman, raced 41 yards for a score, and he converted. With less than three minutes left, Buck counted again on a 17-yard run. Murdock scored again, but the backfield was in motion. Buck was hot that night, along with the whole team.

Central 13, Northeast 0

Central took the lead in the city by downing Northeast. This was Central's second game to be unscored on. Louis Miller, our 300 pound tackle, was a defense giant in this game. It was about an even game until the second half when Bob Bonebrake scored on a three-yard plunge. McPhail converted. In the third quarter left half Henry Klimkoski made it 13-0 on a 15-yard scamper. Bill Sirkel blocked an important punt for Central, and Bill Turner covered a fumble.

Central 12, Norman 0

We had won our third game without being scored on. That is good playing. Fullback McPhail scored twice on 25 and 1 yard drives. Both conversions were missed. Tebe Harris, mighty little guard, blocked a Norman punt to help Central's cause. Charlie Murdock played a good defensive game.

Central 21, Enid 20

This was the tightest game of the year. We were scored on, but to win was enough for our boys. All eleven played a great game. McPhail was a run-away box car in this game. He scored on a seven yard run for a 7-0 lead. Later he ran clean through and around the Enid team for a 60-yard T. D. Enid came back tough and scored thrice to lead 20 to 14 in the fourth period. Central came back just in time. Quarterback Bob Bonebrake then hit glue-fingered end Charles Johnson with a 28-yard touchdown pass. McPhail made the conversion, and Central had another victory. Bill Sirkel and Tebe Harris played their best games of the year. Bill was named lineman of the week, and Tebe was runner-up.

Central 9, Classen 13

We try to tell ourselves to be philosophical, because if the Comets had not won, the poor Classen seniors would have gone through their entire school career without seeing their football team "Beat Central". Don't ask me what happened; I just print the facts. Classen passed for a T. D. just before the half and miss the kick to

lead 6-0. Later Spencer ran 43 yards for another touchdown for Classen, and they made the kick. Central came back for a touchdown when Bob Bonebrake, Quarterback, tossed to Charlie Johnson for a touchdown pass. The kick was good. Classen held Central till the last few minutes, and then made an intentional safety so they could kick to us. The game ended a few second later for Central's first defeat.

Central 7, Chickasha 52

Classen must have taken the fire out of us. We have to put the blame somewhere. There was just too much Merrill Green and Sam Allen. Kenneth Hopper passed to Kenneth Willoughby for the only Card score. Manning kicked. The paper said the Cards' key men were on the bench. That is another reason, we hope.

Central 6, Capitol Hill 7

We came close to winning district 3A in this game, as we all know. But the Hill had the ball too much in the first half. They led 7-0 at the half. We came back like a house afire, and Charley Murdock scored, but we failed to make the kick good. Murdock really racked up the yardage. Louis Puckett and Ronald Wheeler opened those holes in the second half. The game ended too soon for us.

Central 27, Shawnee 14

The Cards came back with a win. Every one had a hand in this one, it seemed. Bob Bonebrake made the first T.D. on a 3-yard drive. Buck McPhail then picked up a blocked punt and raced 26 yards to score. He converted for both scores. Just before half time Charley, "Big Stupe", Linton, who played a great game, merely stole the ball right out of the passer's hands and ran 54 yards to make the score 20-0. Right after half time, Charley Murdock went off tackle for our last score. We made the kick. Shawnee held our subs and scored twice to end the game with a victory for Central.

O. C. Central 14, Tulsa Central 14

This was a moral victory for the team, because we beat them on everything but the score. We had never beaten them in four years. McPhail really played a good game, along with Charley Murdock and the whole line. They led 14-0 at half. Murdock came back and scored twice to tie it up, and that's the way it stayed. Bill Turner's fumble recovery ended Tulsa's last drive.

Central 22, El Paso 0

Central ended its season with a shut-out. The sun-tanned Texans could not score on O. H. S. Charley Murdock was the star of this game with his runs. "Boney" Bonebrake got the first touchdown in the second half. Tebe Harris caught Garcia behind the goal for 2 points. The half time score was 2-0. Murdock did the rest. He ran 35 yards for one T.D., and intercepted a pass and ran 21 yards untouched for our last touchdown. Buck McPhail booted the extra point after each of Murdock's T.D.'s. Thus ended a 6-3-1 season for the Cards; the new coach and his team had done well, particularly in coming back strongly after three disheartening defeats.

BASKETBALL

The hopes of a promising season for the Central basketball team seemed dim at the beginning of the year. There were three returning lettermen: Bob Majors, Dale Trinka, and James Antonio, and rounding out the squad were most of the members of last year's B squad.

To begin the season the Cards trounced Foster, 38-17, but were pushed in their 20-17 victory over John Carroll. Central's defense proved too much for McAlester, as the Cards won 31-13. The Cardinals then journeyed to Blackwell to win by their most lopsided score, 51-14, with James Kirkpatrick leading the scoring parade with 15 markers.

Playing a tight game all the way, Central was nipped by Ponca City, 21-23. Woodward journeyed to Central, only to be beaten, 40-22. The Cards then lost their first conference game to Shawnee to the tune of 27-32. Central allowed Northeast only six points in the first three quarters and triumphed 34-20.

Next, the Cardinals met their arch rivals, the Classen Comets, and had their tail feathers clipped as they were downed 35-22. James Antonio led the Cards' scoring efforts with nine points.

The Cards then played Capitol Hill, which had been previously undefeated. In this game the Redskins bit the dust as the Cardinals held the high-scoring Capitol Hill team to 20 points while getting 21 for themselves. Lewis Puckett was high for Central with seven points, but Eddie Reichelt played an important part in the Cards' victory by dunking three straight fielders in the last quarter. Central then went to Shawnee, avenging a previous loss by defeating Shawnee, 37-35, with Bob Majors and Dale Trinka leading the scorers with 11 and 10 points respectively. Ronnie Custer, who played only the last three minutes, hit six points, including the winning bucket with only 15 seconds remaining in the game.

Putnam City then fell before the Cards, 25-20, in a loosely played ball game. By putting a tight defense on Norman, Central won easily, 25-15. Central then kept alive its record of never losing to Northeast by defeating them in a hard-fought battle, 19-18.

The next game was with Classen. Coach Breithaupt had his boys ready for this one, as the Cards took the Comets, 34-23, in one of the finest played games of the year. Bob Majors scorched the nets for 15 points, enough to grab high point honors. This game broke a Classen jinx which had extended for six games straight.

The Norman Tigers lost their stripes as Centrals' quintet downed them 42-32. Dale Trinka led the scoring with 16 points. Enid then edged the Cards, 34-32, and ended a seven-game winning streak. The Cardinals then moved to El Reno where they were defeated 44-20, by the Indians' powerful unbeaten quintet. With the city championship at stake, the Cards met the Redskins on their own stomping grounds, but again the Cards triumphed in a fine ball game, 34-33. Lewis Puckett was high man with 10 markers, but again Ronnie "the game saver" Custer came through with two buckets in the last minute of the ball game to nip Capitol Hill. This gave the Cardinals their first city championship since 1946. Central then ended the regular season with a 40-32 defeat at the hands of the Enid Plainsmen.

Coach Clarence Breithaupt deserved a lot of credit for his coaching of this inexperienced team that turned out a very creditable record of 14 victories against 6 defeats for the season. Central's defensive-minded Cardinals held their opponents to only 25 points a game while scoring an average of over 30 points for themselves. The team won the city championship and were in a three-way tie for second place in the mid-state conference. This year the Cards had a fine group of fellows that displayed teamwork, not only on the court, but off the court as well, which sometimes meant the margin of victory. Vaughn Brower, the Cards' center, received little credit for his playing, but without his power, Central would have been in a bad way. Ben Mosley, the team's manager, did a fine job of taking care of the team's needs. The whole team should be congratulated for its willingness to spend time in an effort to produce a winning team. Returning next year from the A Squad are Eddie Reichelt, Levern Holder, Gene Goss, Paul Kirkpatrick, and Charles Linton.

Coach Applebee's B squad had a season of 7 victories against 8 defeats. Those expected to add strength to the A squad next year are J. F. Leeper, John Brown, Andy Lewis, Bennett Crable, Larry Olson, Sam Thompson, Blaine Holt, Don Urban, Jack Lowman, Preston Dorety, and Jim Nall.

First Row: Cofer, Avant, Harris, Bonebrake, Gebar, Rickey, Earl Applebee.

BASEBALL

EARL APPLEBEE, *Coach*

Central has always had a better-than-average baseball club. We hope they can do as well this year as last. We have the following boys back as returning lettermen:

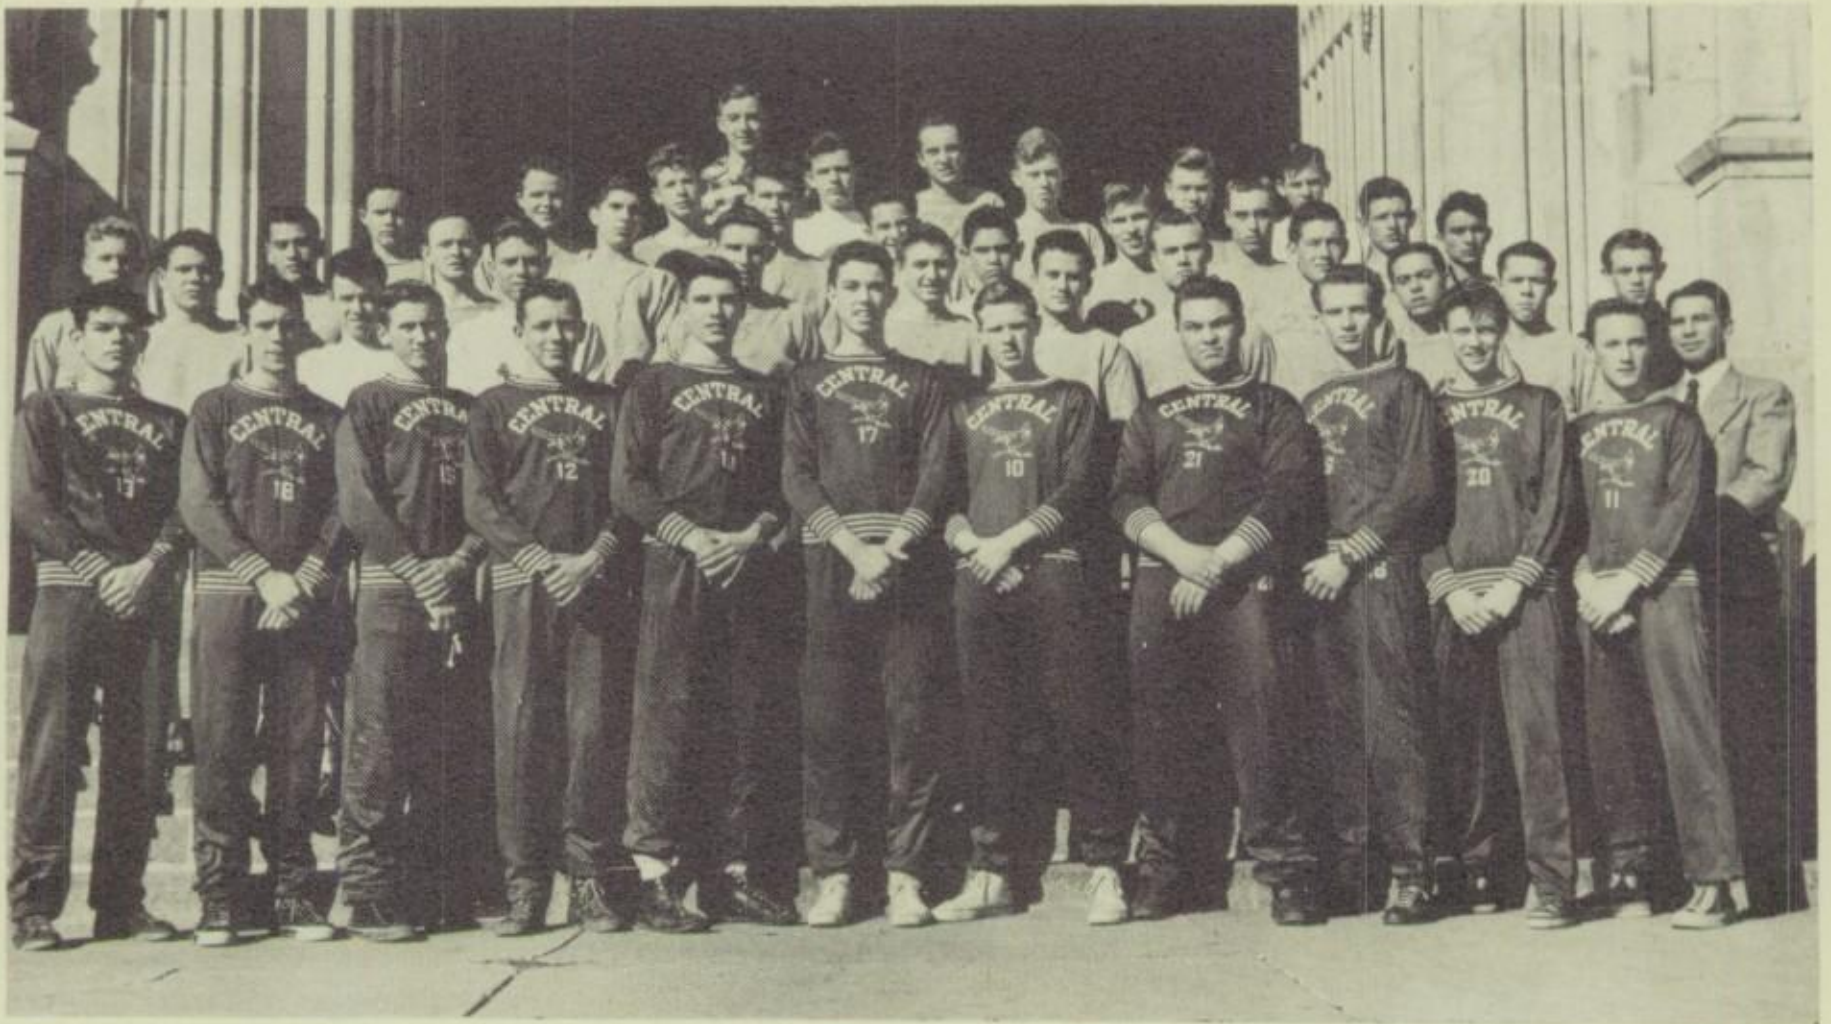

- Don "Drippy" Drain—Firstbaseman.
- *Carl "Tebe" Harris—Outfielder and pitcher.
- Orville Rickey—Shortstop.
- *Bob "Boney" Bonebrake—Thirdbaseman and pitcher.
- Jerry Lawton—Secondbaseman.
- *2 Year lettermen.

Last year Central had eleven wins against four defeats, for a good season. Capitol Hill, Tulsa Will Rogers, and Tulsa Central were the only teams to beat Central in season play. The Cards ranked second to Capitol Hill in All-City competition. Two boys made All-State, H. T. Greenhaw and Joe Bob O'Neal, pitcher and secondbaseman respectively. An outstanding pitching feat was turned in when David Bowen pitched a no-hit performance against Pauls Valley. Greenhaw was the top hitter for the Cards, with a lofty .439. Another star was Al Swihart, who led in B. P. U. (bats picked up). So with another season about to begin, we want to wish the baseball team and their new coach, Earl Applebee, "Good luck."

Fourth Row: Murdock, Henderson, Voight, Sibley, Caperton, Bayliss, Fikaris, Walker, Harding, Kline.
Third Row: Mason, Fields, Walton, Glass, Garner, D. Hodges, Manning, P. Stavros, Custer, Brown.
Second Row: J. Hodges, Lawton, Drain, Willis, Reichelt, Linton, Holder, J. Stavros, Bowen, Urban, Henson, Grilley.
First Row: Price, Cofer, Avant, Harris, Bonebrake, Gebar, Rickey, Coach Applebee, Leeper.

First Row: Koman, Simpson, Goeller, Orrell, Emenhiser, Hall, Willoughby, Jones, Simons, Marks, Hardway.

E. H. MILES, *Coach*

Central's track team, developed by Coach Jacobson into one of the best teams in the state, started its 1948 season with three returning lettermen. When the mid-state meet rolled around, on April 23, Central took top honors with 53 points. Although dropping the city meet by a close margin, the Cards succeeded in winning the regional meet. At the all-important state meet, the Cardinal thinclads turned in an outstanding performance, but were nosed out of first place by a very good Tulsa Central team.

The top scoring honors of the season were taken by Jim Smith with 78¼ points, Pat Kerce with 52, Jimmy McCracken with 39½, David Branstetter with 38, and Tom Churchill with 35½ points.

Expected to carry a big share of the 1949 season, with Coach Miles's help, are the two returning lettermen, Jerry Emenhiser and H. N. Symonds. Additional strength will be added by juniors Albert Orrell and Roger Goeller. Distance honors are expected to be won by David Hall.

Third Row: Chekovsky, Ray, Hill, Cunningham, King, Blake, Haile, Baird.
Second Row: Brown, Pauli, Creveling, Johnston, Vaughn, Quillen, Duffy, Ruedy.
First Row: Greggs, Garrett, Rainbow, Long, Taylor, Born.

GIRLS' SPORTS

BERNIECE WESTER, *Sponsor*

A new 'crop' of prospects greeted Miss Wester at the beginning of the fall semester—green but willing. Although the Fieldball team did not bring home the title, they came home wiser in the ways of the game and should account for themselves well next year.

The Volley ball season was off to a shaky start, but here again the 'green but willing' learned the lessons well. Classen copped the title, barely nosing out a scrappy Foster team.

The Ping Pong tournament saw Central's Janet Baird go down in the final round to Bobbie Knight of Classen, twice winner of the City High School title.

Entries were sent to various State and Invitational meets in Tennis and Badminton. Central was represented by Jo Anne Noll in Tennis, and by Marilyn Born, last year's City High School Badminton runner-up.

In Softball, an all-around favorite, the girls usually do well.

Good fun, hard, clean play, and practical sportsmanship—with outcomes in more vital health—these are the goals in Girls' Sports.

The Black Skirt Pep Club began the school year by celebrating its eighth birthday with the annual Founders' Day Banquet in the Banquet Room at Beverly's Restaurant. Other social events followed, including the pledges' hay rack ride, teas, a spring picnic for the well-deserving athletes, and the Christmas and spring dances.

To help finance these functions, the girls ushered frequently at the Municipal Auditorium.

In addition to promoting pep and school spirit at all games and assemblies, and supporting all school activities, the Black Skirt Pep Club strives to build character and to develop the personality of each of its members.

Among those who have put forth special efforts are Delores Landsberger, Phyllis Campbell, Vandetta Shidler, and Barbara Moore.

To complete a liberal education, a touch of life and fire is necessary.
 The Blackshirts were officially organized in 1937, although they were derived from the pep club founded in 1928, the Black Jackets.

This year has brought forth excellent results in modernizing and streamlining a club. The year's activities were two excellent formal dances, picnics, a stag party, wiener roasts, a sun rise breakfast, and the most unusual, a kodak party. Also according to the prevailing custom, the second annual Sadie Hawkins dance was enjoyed, and two previews were given, one after the Classen-Central football game and one after the Classen-Central basketball game.

In sports, Johnny Graham, captain, led the Blackshirt football team through an undefeated season. Other players included Don Mosier, Ralph Willis, Paul Packham, and Charles Bonifield.

After a very successful first semester, Donal May turned over the gavel to Charles Waite, who presided during the second semester.

Pat Stephenson, one of the cutest sweethearts a club ever had, renewed her lease of "Sweetheart" after stealing all the boys' hearts.

Third Row: Shaw, Brasher, Brock, Haney, J. Hicks, Staggs, Bonifield, Fox.

Organized in 1949, the Cardinal Pep Club is one of the newest clubs at Central. The club was founded in order to provide a democratic pep organization open to any student desiring to take part in pep activities.

The club has no pledges or pledge duties. Its only requirements are that the members attend athletic events and uphold the club's name.

During the year the club sponsors two things for the student body. The first semester it is a Thanksgiving assembly. The activity during the second semester is a mixer honoring all new students to Central.

Thus by promoting interest in athletic events and providing various social activities, the Cardinal Pep Club adds much to the breadth of a student's liberal education.

Third Row: Oliver, Arnold, Sheppard, Barnes, Yamagishi, Beierschmitt, Posey, Moser, Hall, Reese, Blake, Johnson, Soloman.

The Red Skirt Pep Club was organized in 1928, under the direction of Miss Florence McClure, and is now sponsored by Mrs. Georgia Reid. The Red Skirts is the oldest girls' pep club in Oklahoma City.

Besides furnishing pep at games, the Red Skirts sponsor many activities throughout the year. This year, for the first time, the Red Skirts played the feminine faculty, or "The Bloomer Girls", in basketball. It seems that experience triumphed, however, and the Red Skirts went down 30-29.

After the Christmas Dance, the annual Basketball and Football Banquets were held. The Spring Dance and Installation of New Officers ended the year's activities.

The accomplishments of the year again prove The Red Skirt Pep Club is "Full of Life and Fire for Central."

"Full of life and fire" typifies the Red Shirts of '49. Yes, sir! Let it never be said that the boys of our club know nothing of school leadership, for lo and behold we possess six members who are Junior Rotarians, two who are student council presidents, and one who is business manager of the Annual, plus many other prominent personages.

This year's activities included our annual Red Shirt minstrel, the proceeds of which were used to enlarge the Red Shirt Memorial Library for the boys killed over-seas during World War II. Also were included the Annual Christmas Dance, The Father and Son Banquet, The annual Spring Dance, the Pledge Party, ushering, and numerous bus trips.

Again the Red Shirts scored a successful and outstanding year with a grand selection of Sweethearts: cute Kaye Taylor and darling Vera Beshears. As for the boys born into Red Shirt history, there are Jerry Emenhiser, Dale Trink, Vaughn Brower, and Bob Majors. These boys, with their outstanding scholarship and good citizenship, were selected by the club as honorary members and shall have the same privileges and rights as any qualified Red Shirt.

Third Row: Blair, Walls, Brundage, McNabb, Wright, Beiser, Coil, Waller, Ramseyer, Reichelt, Kirkpatrick, Calloway, Walker, Johnson, Bolby, Olson, H. Smith, Mackler.

Second Row: Trosper, Baum, Goeller, Orrell, Heiman, Compton, Holder, Bowden, Horne, Brandt, Silver, D. Guthrie, Hickman, Potter.

Well deserving of recognition is the Central Highschool Band. Organized in 1910, it has presented Central with many honors since that time. The band participates in all the parades and plays at athletic games; these services help to promote pep in the school.

The activities are many; in the float parade assembly this year, the band members won first place. They sponsored a "Fun Night at Central", which, among other things such as a sock hop and a stage show, presented a Fun Night King, Richard Stinson, and a Fun Night Queen, Betty Cave. These and many other undertakings go to prove that theirs is really an active organization.

An admirable eye for beauty was shown by the election of the Band Queen, Maxine Tucker, who was crowned at the Central-Norman football game by Robert Ritter, Band President.

The girls in the Central Band have formed an organization for themselves in order to create an interest in music and form a sistership throughout the band. They were first organized in 1942.

They have taken part in many school activities this year and planned many of their own, one of which included a hay-rack ride at Will Rogers Park with eats and dancing afterward.

This organization has really developed a friendliness among the girls in the band which helps to boost the band as a whole to much greater heights.

The O.H.S. Band Boys Organization was founded for the purpose of improving the Central Band. The club is of a social nature, but each year there are football, basketball, and baseball teams which challenge not only clubs from their own school, but also clubs from other schools.

The boys plan many activities throughout the year, and their unity greatly strengthens and promotes interest in the band.

The Red Skirts Drum and Bugle Corps is a marching organization that is very well known all over the state.

As a result of the group's hard work, the girls were given a "Superior," the highest rating given in field marching, during their annual spring trip. They also took second prize in the Drum and Bugle classification of parade marching.

Red Skirts Drum and Bugle Corps

In their red and black uniforms, this organization makes a very pretty picture while marching in parades, in pep assemblies, and at games.

The Red Skirts Drum and Bugle Corps indeed promotes pep and school spirit at Central.

Music is undoubtedly one of the most vital phases of education; therefore, a cappella has done much toward furthering a liberal education. The a cappella choir was founded in 1936 by Miss Lee after it had been, for fifteen years, a mixed chorus.

The whole school has benefited greatly by the a cappella's musical interpretations. One of the accomplishments, to the delight of the whole school, was their presentation of the "Nutcracker Suite," by Herbert, at their Christmas programs.

The highlight of the second semester was the Fred Waring "To Workshop" at which one of Mr. Waring's confederates, Lara Hoggard, helped to train the a cappella choirs of Oklahoma City for a musical program given at the Classen auditorium.

Some of the most outstanding workers were Orville Rickey, Samuel Byrd, June King, and Doris Horton.

"To further art appreciation and to create a general artistic interest for all at Central." For this purpose the Les Beaux Arts Club was organized in 1921 by Miss Grace Chadwick. In the spring at the annual awards assembly, medals are awarded to the three outstanding senior art students. These awards are based on their participation in art contests and activities. Last year seven places were won by members of this club in the national Scholastic Magazine Art contest. Through the works of this club, Central has been represented in city, state, and national art contests. Besides these activities, the club also helps to carry on a social program of picnics, parties, and dances for its members.

What club is the oldest club in Central? What club furthers debate and speech work in Central? What club includes in its membership the outstanding students in the school? What club develops fellowship among boys? What club combines all these?

It's the Jeffs, naturally.

Organized in 1905 at Irving High School, the club moved to Central and is the oldest club in Central. The Jeffs are foremost in the field of speech, helping students in debate and extemporaneous speaking. This past year the club had the first semester president of the Student Council, three of the Junior Rotarians, and many others who held offices in various clubs and organizations. One of the things the students of Central look forward to, is the annual Jeff-Cice debate, concerning one of the current debate topics, with a cup awarded to the winner.

The Jeffs further fellowship among boys by forming a close relationship among members, pledges, and the sponsor. They have a Hayrack Ride, a Stag Banquet at Christmas, and a Fall Dance. The club is always looking for fine material and always welcomes any boy who is interested in speech activities. With this varied program the Jeffs are helping Central to carry out the plan for a liberal education.

The Ciceronians were founded in 1911 and since then have been prominent in all speech activities at Central.

This year the Ciceronians began, sponsored, and won the contest for the cup they put up to further the friendly speech rivalry between the Jeffs and the Cices. The competition involves extemporaneous speaking and standard and original orations.

Much enjoyed by the Cices were the steak fry at Johnny Kessler's cabin and the annual alumni stag banquet. The Ciceronians also sponsor a contest among the 9A's at four of Oklahoma City's junior high schools: Taft, Webster, Harding, and Roosevelt. The winner at each of these schools competes in standard orations, to receive a beautiful plaque.

Another high-light is the annual Jeff-Cice debate. This debate is a result of the fierce rivalry between the two clubs.

Third Row: Harris, Trosper, Statton, Pierce, Maupin, Burleson, Beshears, Butler, Beard, Beauchamp, Barefoot.

The purpose of our Dramatic Club (which was organized in 1931) is to promote interest in plays, radio speaking, and public speaking. The annual Dramatic Club Christmas assembly climaxed the Holiday Season at Central. Maryanne Babb gave a stirring presentation of Carol in Dickens's *THE BIRDS' CHRISTMAS CAROL*. The spring assembly was also a high note of the school year, as was to be expected from the cream of the dramatic and speech students, who are members of the Dramatic Club. However, the lighter side was not neglected. The Christmas party was a great success, and the spring picnic was even more of a hit. Tryouts are held every fall and spring for those who wish to join the club.

NATIONAL FORENSIC LEAGUE

MAYBELLE CONGER, *Sponsor*

Rosalie Ruzgan
(Not in picture)

The National Forensic League and Thespians (the local chapters of which were organized in 1936 and 1947 respectively) are both honorary national speech organizations. The purpose of the National Forensic League is to promote inter-scholastic debate, oratory, and public speaking. Therefore, members must acquire a certain number of points in these fields through contest participation. In doing so they have won a goodly share of contests and trophies for their good old "Alma Mater".

The Thespians Chapter is interested in encouraging activities concerned with play production; so to become a member of this club, one must win points in this field of dramatics. The two most outstanding members of both of these organizations this year are Jo Anne Noll and Jerry Janger. We feel it is indeed an honor to be a member of either of these organizations.

The Masquers, an honorary speech club for boys, this year celebrated their 10th anniversary since the founding in 1938 under the sponsorship of Miss Maybelle Conger. The club, the purpose of which is "to recognize and to further and develop interest and talent in speech work for boys in Central High School," has grown from six charter members to its present accumulative membership of 140. Active membership is never to exceed twenty, and new boys are selected at the conclusion of each semester. Foremost among its activities are the spring dramatic assembly and the farewell picnic for the graduating senior members.

Entre Nous (French Club) was organized in the spring of 1945 by a group of students who were interested in conversational French, with Miss Snell as sponsor.

The purpose of Entre Nous is to bring about better understanding of French arts, customs, and language. Requirements for membership include enough French to carry on a simple conversation and the desire to learn French.

The emblem for Entre Nous is the fleur-de-lis; and red, white and blue, official colors of France, are also the colors of the French Club.

A Founders' Day picnic is held each spring. Other activities include a formal initiation and a rushee coke party.

The Pan American Club, originally called La Tertulia, was organized in 1923, with the purpose of "bringing about a closer relationship, sympathy, and understanding with the peoples of Latin America." This club prides itself on the fact that many leaders of the school are among its membership. Meeting nights are the first Saturday in each month, and membership is open to any student who has a special interest in Latin American affairs. Outstanding functions of the year included a dinner at El Charrito, a special celebration on Pan American day, and a picnic at the close of the semester for the senior membership. This club tries hard to help Central students realize the value of a "Liberal Education."

Membership in the National Honor Society has always been one of the highest achievements that any Central High School student can attain. The Central Chapter, the oldest in the state, was organized in 1921.

The upper fifteen per cent of the graduating class are selected each year, along with the top five per cent of the junior class.

Members are selected principally for their scholarship, but they also rate high in character, leadership, and service to the school.

JUNIOR RED CROSS

Our Junior Red Cross Chapter is a division of the American Red Cross, whose purpose is to give service to the school, community, and nation. The Junior Red Cross works (through correspondence albums and gift boxes, between this and other countries) for the development of international good will.

Our Central Chapter is made up of representatives from each homeroom and club. Two main activities of the Junior Red Cross are the Christmas Gift Box Project, in October, and the nationwide Membership Drive in November. Other projects accomplished by our chapter were programs for soldiers at Will Rogers Hospital, nutrition, forest fire prevention, first aid, and safety.

Through the all-out efforts of the Red Cross Council and the entire student body, Central always makes a splendid record in these and many other projects, and since all Red Cross work is purely voluntary, Central is doubly proud of its record.

The "O" Club is an honorary organization which is made up of boys who have earned a letter in any of the four major sports: football, basketball, baseball, and track. The club was organized in 1941, and ever since has promoted good sportsmanship. The coaches and players have worked long and hard to bring all possible credit to the school by clean and hard play in the field of athletics.

Fourth Row: Wagner, Hoots, Pauli, Sherrick, Barnett, Keegans, Otis, Case, Streetman, Ralph Miller-Dean.

Third Row: Ferguson, Pellingier, Herring, Loman, Stricklin, Lee, C. C. Brown, Jones.

Second Row: Lackey, Draper, Ferrall, Riddle, Dockery.

First Row: Spivey, Langley, Fisher, Pauline Walker, Josephine LeBron, Jessie Royer, Higgins, Adams, Kanatzar, Phelps.

VETERANS

JOSEPHINE LeBRON, *Sponsor*

The Veterans have a separate Accelerated Program which was established in January of 1946, started in order to take care of the men returning from the service who had not yet finished their highschool work.

This program has had more than 1900 enrollments during this time and has graduated 793 of these, besides those who have taken their credits to their home high schools for graduation. The enrollment this year is the smallest yet—with approximately 60 men in Central.

These men, who were heroes of the past, are proving their interest in the future.

Second Row: Watson, Ables, Brasher, Paullin, Everett, Collins, James, Nelson, Whittington.
First Row: Thomas, Edwards, Coffey, Roberts, Calvert, Teague, Waits.

This type of vocational training is designed for boys in high school who are most likely to find it impossible to attend college, and who will enter the field of industry or commerce after leaving high school.

In this type of work a co-operative relationship is set up between the school and the business or industry, providing for the student a part-time job, a school credit, and an opportunity for training and experience in an actual work situation.

Second Row: Thies, Hill, Applegate, Fleming, Cassil, Smith, Hulsey, Eaves.

The Distributive Education Club is for girls at least sixteen years of age. They are able to earn credits for graduation by working at least three hours a day and by being enrolled in two or more classes at school.

One of their classes is called an "Indirect" hour, which deals with life in general. In this class the girls discuss such subjects as dealing with the public, developing one's personality, and improving one's appearance. The second hour is the "Direct" hour, which is a study of the girls' own personal jobs.

Third Row: Knizek, Lambert, Williams, Swisher, Folsom, Dulaney, Prather, Davis, Payne, Plunk, Hill, Dunaway, Reich, Hicks, Rice, Crane, Swearingen, Hensley, Foreaker.

The Chemistry Club was reorganized this year and became an affiliate of the Oklahoma Junior Academy of Science.

Members of the club made numerous field trips to industrial laboratories, served as guides for Oklahoma's "Farm in a Day" Program and attended the Southwest's regional Reclamation Conference. Four of the members were delegates to the annual meeting of the Oklahoma Junior Academy of Science in Tulsa. Exhibits in the Science Fair at Norman were presented by two of the members.

The purpose of the club is to further the interest of chemistry among the club's members. The only requirements for membership are to have a keen interest in chemistry and to participate in club activities. Atomic secrets, the use of strange equipment, and the practical application of chemistry to everyday life are but a few of the mysteries that are explored by the club.

Third Row: Pierce, Terrill, Posey, Birdsell.

Central's Horizon Club, a senior branch of the Camp Fire Girls organization, was reorganized this year under the sponsorship of Mrs. Cora Voy Aldrich and Mrs. Charles Watson. The activities of this club have been many and varied. There was a tea for the new members at the first of the year, and in February a candy sale was held to raise funds for the treasury. The girls made their spring wardrobes, including accessories, and then gave a fashion show for their mothers. With these achievements the club feels that it lives up to its purpose of "cultivating personality, courtesy, a sense of responsibility, and leadership."

That student has had a liberal education who has been so trained that his body is the servant of his will, his intellect can attack every imaginable problem with gusto and pleasurable enthusiasm, his respect for others equals that of his respect for himself.

The student council does its best to provide adequate training in all these things. Could there be any doubt of the physical training going on when we see numbers of council members climbing up and down ladders hanging lights and decorations for sock hops that have been a regular activity of the council this year, carrying cases of cokes to the icing box, or masterfully sweeping the broom after a round with the pop corn machine?

No problem is too large or too small to be brought to the student council for democratic action—action that recognizes the rights of other individuals—action that all members of the council participates in—action that is logical and reasonable in view of all available data—action that works toward the improvement of life in our school.

No group can call itself democratic that has not learned to respect the rights of others. Council members first earn by their own efforts the right to the respect of their fellow members. Only then do they fully appreciate the worth and rights of others.

Since the organization of the council in 1921, its activities have increased mightily. This year Jim Snow, Jim Butler, and Henry Leonhardt attended the national conference in Washington; Jim Snow represented Central High School as president of the Southern Association of Student Councils; he has also presided as president of the Intra-City Student Council; Rex Horne and his committee have sold bus tickets all year to the student body; council members are working now to provide a new showcase for the front hall.

CENTRAL'S CHARM BRACELET

Central wanted to make a bracelet
With the best charms she could find.
She searched the whole school over
With this one plan in mind.
She wanted some for beauty,
Some for brains, and some for brawn;
Of course she looked for other kinds;
She searched until the dawn
To find the charms she needed
That would surely be, she knew,
Always treasured most by everyone:
It's you and you and YOU.

—Annette Arnold

Dear Richard,
I have had
fun knowing you.
I think you will
be a great success.

Lots of Luck,
Betty H. Johnson

Dear Richard —
You have great
artistic talent and a
great future ahead of
you. Too, you have
the brains and judge-
ment of a successful
life. Best of luck to
you always.

Charles Maite
Blackshirt pres.

Dear Richard
you have a
brilliant future
in the art field,
and I wish you
much success.

Your friend
Robert Cowan

Dear Richard:

I have really enjoyed
being here with you
these three years. You
are really a swell
guy. I know you will
go far in this old world
and I wish you all
the luck & happiness
ever.

Always —
Jo Ellen Gisson

Dear Richard,
 If it hadn't been
 for you sitting in
 front of me and helping
 me with my algebra I would
 never have passed. I really
 have enjoyed being in class with
 you. Best of luck always.
 Shakia Williams

Richard
 I hope that you
 have lots of luck
 and plenty of success
 in the future.
 Frank Martin

Dear Richard,
 It really has been a pleasure
 knowing you and being in
 Lea Beach together. May
 you have lots of success.
 Your friend,
 Mary Conner

Richard
 Best Wishes
 And Good Luck Always.
 I have enjoyed being
 in Study Hall with you
 this year. - Bill Sawyer

Dear Richard,
 I have enjoyed being
 associated with you at
 Central. I know you will
 be a great person some day.
 Then maybe I can say,
 "I knew him when."
 Best Always,
 Howard Howe

Dear Richard,
 It has really
 been fun knowing
 you this year. Wishing
 you the best of luck
 in the future.
 Eddy

Best of luck to one
 of the swellest guys
 and best students
 in Central.

Sincerely
 Jim Sner

Dear Richard
 you meet a lot of
 people by going to a school
 for 2 years; some of them stand
 out and others don't. - you
 are a stand out. A truly
 wonderful fellow who will
 mark his mark in the world
 as he has in school.
 Best Ever
 Bonnie Bess

Richard,
 I have enjoyed being
 associated with you at
 Central. I know you will
 be a great person some day.
 Then maybe I can say,
 "I knew him when."
 Best Always,
 Howard Howe

Dear Richard,
Frustrated, modern
art, teasing, + all,
I still like you
(I think), but I
do wish you would
let me study in
study hall. Best
wishes, and I really
don't hope you
fail algebra.

Carol Hamner

Dear Richard
Had a lot of
fun knowing you
this year. I've
really had fun
at 9th M in spite
of my blistered
heels.

From
"Cindy Lou" Starr

Richard
Although I don't
know you very well
or I should say I
haven't known you very
long, my association with
you has been very
pleasant.
To a "sweet",
and "brainy" Boy
Valeha Bowser

Lots of luck to a
swell fellow
Howard Horton

Richard,
Good luck with
your art work. Best
wishes in the future.
your friend
Frances Hane

It's swell luck
to have a swell
fellow.
Carol Hamner

Richard it has been
very pleasant knowing
and having your friendship
here at Central. May you
have all the luck in
the world. Sincerely

Dear Richard, Claude Hart
It's been a pleasure
sharing your friend-
ship this last year. So
bad I didn't get to know
you better sooner. I'll
best of luck to you.
Bill
Haddell

Dear Richard:

I have enjoyed knowing
you very much and
being in class with
you. You are a very
intelligent boy and a
true artist. Lots of
success all through
life. Luck.

Jim Butler
